 09.30 am Assembly and start of shooting

There will be no set lunch break, the Head to Head starting as soon as rankings are determined. The cut-off point will depend on the number of entries.

As laid down by FITA rules at the time of the shoot. The qualification round for all compound categories will consist of 72 arrows shot at 50 meters at a 6-ring target face. The Elimination and Finals Rounds for the compound head to head division will consist of 15 arrow matches shot in five ends of three arrows. All these matches are to be shot at 50 meters, by all compound categories at a 6-ring target

The qualification and head to head matches for all recurve categories will be shot on 122 cm faces at a distance of 70m and will continue to use the set system, but all matches (elimination and finals) will consist of a maximum of 5 sets of three arrows (winning set point score: 6 points).

All arrow holes in the target face must be marked, and all arrows must be marked, making them recognisable by the archer and conforming to FITA requirements.

For both Ladies and Gents for the qualifying and Head to Head rounds there will be awards for first and second positions in all bow disciplines.

Entries will only be accepted from members of GNAS and FITA affiliated societies and membership cards must be produced at registration.
